

Defender[®] Signal Blocker

Box qty: 50
Code: OT01118/
OT01119/OT01143

Innovative product that combats both car crime and dangerous driving, used for mobile phones and keyless vehicle fobs.

BRAND
ME

Key Information

- Available in Black, Grey and Red
- 5-10 seconds block/unblock time
- Reinforced double stitching
- Suitable for all phones up to a max of 170 x 90mm

Car Crime

Instantly stop the transmission of the signal to the fob, preventing thieves being able to 'boost' it.

Dangerous Driving

The phone will be unable to receive calls, messages or notifications.
