

# DECOY DOME CAMERA WITH IR LEDS

Realistic Outdoor Unit with Dusk Till Dawn Red LEDs

Product Code: CC00434

## Introduction

The Decoy Dome Camera is a great, low cost solution to deter burglars. The unit contains 9 x infra-red LEDs that only glow after dark, making it indistinguishable from a real CCTV camera.

## Contents

- 1 x Decoy Dome Camera with IR LEDs
- 2 x Wall Plugs
- 2 x Screws
- 3 x AAA batteries
- 1 x CCTV Warning Sticker
- 1 x Mounting template

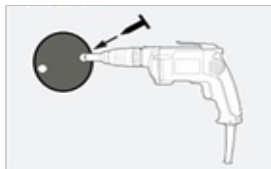

## Operation

The Decoy Dome Camera operates on 3 x AAA batteries which should provide approximately 12 months use. The batteries operate 9 red LED's which can only be seen in the dark. These red LED's simulate a real infrared CCTV. The unit can be used indoors or outdoors.

Before first use, install the batteries. Open the battery compartment on the base of the unit and insert 3 x AAA batteries, noting the correct polarity. Replace the battery cover securely.

## Installation

To mount on the wall, use the mounting template to mark where you want to position the unit. Drill 2 holes in the marked spots for the screws.

Place the plastic wall plugs in the holes then insert the screws leaving part of the screw out of the wall to grip to the Decoy Dome Camera. Then, place the camera over the screws and slide to the right to fix it to the wall.
