DEFENDER **PRO-TEC KEY SAFE**

As industry experts with over 20 years experience supplying key safes we have designed our very own cost efficient, highly reliable, police preferred key safe.

Our most advanced key safe within the Defender range, the Pro-TEC is one of very few **police preferred** key safes in the UK and comes at an **unbeatable price**. Designed with both the user and installer in mind, the Pro-TEC comprises 12 easy-press buttons and features an ergonomic turn dial, making it ultra **user-friendly**. Lightest in its category without compromising security, it has been tested and certified for external masonry walls and is the perfect solution for a reliable, quick installation key safe and overall will save you time, money and worry.

Police Preferred Specification

External dimensions: 125 x 70 x 50 mm
Internal dimensions: 95 x 50 x 40 mm
Weight: 1.3kg

SAVE **TIME**

The Pro-TEC has been intelligently designed with installers in mind. Supplied with a weatherproof cover which can be used as a drilling template, installation is quick and simple. Lightest in its category, Installers will have no issues holding and securing the key safe in place. Suitable for external walls and supplied with 4 thunderbolts the Pro-TEC is effortless to install for both installers and users.

- **COVER DOUBLES AS A DRILLING TEMPLATE**
- **SUPPLIED WITH X4 THUNDERBOLTS**
- **SUITABLE FOR EXTERNAL WALLS**
